RQL PRICETAG™ V1.0 — SOVEREIGN RETAIL SHELF PRICE & BARCODE LABEL DESIGNER

Batch CSV/Excel Ingestion • Millimeter-Accurate Sticker Grids • 100% Offline Rust Engine

$79 USD / ₹6,499 INR
LIFETIME OWNERSHIP

Print 5,000 Supermarket Shelf Price Stickers in 60 Seconds from Excel — 100% Offline.

Replaces BarTender Cloud ($360/yr) & Labeljoy ($160/yr) Forever

- **Drop Any Product Spreadsheet:** Ingests standard `.csv` or `.xlsx` price lists and auto-generates formatted, print-ready sticker sheets.
- **Integrated Barcode Engine:** Generates sharp Grade-A EAN-13, UPC-A, and Code 128 barcodes directly onto stickers with zero scannability errors.
- **100% Air-Gapped Silicon Execution:** Zero cloud telemetry, zero monthly subscriptions. Prints over raw USB/LAN to any office laser, inkjet, or thermal roll printer.

Avery Multi-Up Grids
Pre-configured mathematical layouts for standard 24-up, 16-up, and 12-up sticker sheets with zero margin creep.

Promo Discount Badges
Auto-calculates strike-through MRP ("Was ₹999 / Now ₹699") and percentage savings to boost shelf sales.

Universal Printer Drivers
Fires directly to standard HP/Canon A4 desktop printers as well as industrial Zebra/TSC thermal label rolls.

14-Day Sovereign Guarantee
100% risk-free. If it fails to boot instantly or eliminate recurring SaaS label expenses, full unconditional refund.

Strategic Value Matrix: Sovereign Ownership vs. SaaS & Manual Labeling

100% NATIVE RUST • 0 MONTHLY SAAS FEES

Evaluation Metric	RQL PriceTag™ (Sovereign)	BarTender / Labeljoy (Cloud)	Manual Handwritten Tags
Pricing Architecture	**$79 (₹6,499) One-Time Lifetime**	$160 – $360 Every Single Year	High Ongoing Staff Labor Cost
Network Dependency	**100% Air-Gapped Physical Workstation**	Mandatory Cloud / License Phone-Home	Offline Physical Pen & Paper
Print Throughput	**5,000 Labels in < 60 Seconds**	Browser Lag & Print Driver Spooling	Slow, Tiring & Prone to Typos
Barcode Scannability	**Grade-A Vector (EAN-13, UPC, Code 128)**	Gated Behind Premium $500+ Tiers	Unscannable at Cashier Checkout
3-Year Total Cost of Ownership	**$79 (₹6,499 Total • Zero SaaS)**	$480 – $1,080+ (₹40k – ₹90k)	₹1,50,000+ in Lost Staff Hours

Supermarkets & Grocers
Weight units, MRP, offer price, and scannable EAN-13 barcodes for aisle shelves.

Boutiques & Apparel
Size, color, season code, and promo discount tags ("30% OFF") for clothing racks.

Pharmacy & Healthcare
Batch numbers, manufacturing & expiry dates, dosage units, and compliance tags.

Hardware & Electronics
Model numbers, technical specs, warranty period, and scannable serial barcodes.

Security Clearance & Cryptographic Attestation:
Master Binary: `RQL_PriceTag_Master_Setup.exe` • WDSI ID: `b51a3285-660b-4379-a117-14ed720f8dc9`
SHA-256: `B2B9CFC2906E97FCC5FA6C3788C9799BD89DDB3AE6CFC915E2925C5BA4528C19`

WDSI COMPLETED • VERIFIED CLEAN

Direct Store Procurement & Retail Chain Multi-Workstation Licensing:
Each commercial release delivers a standalone physical workstation PE32+ binary with hardware cryptographic attestation (`license.rql`). On-site deployment, supermarket volume licensing, custom GST invoicing, and pilot demonstrations available across Patna and worldwide via Gumroad delivery.

100% Offline Physical Execution • 14-Day Sovereign Guarantee • Zero SaaS Rent
